

How to have the best trip EVER!

10 general guidelines

1. Be patient, respectful and flexible at all times as we travel as a group not as individuals
2. Be a team player and be prepared to make compromises
3. Be on time - show up at all designated places at least 5 minutes ahead of time (having taken your bio-break)
4. Be open minded and embrace different experiences, after all that's why we are travelling
5. Be respectful of the area's customs and ways of life
6. When the unexpected happens, view the situation as a new opportunity and keep your sense of humour
7. Be positive so everyone enjoys their trip; provide constructive feedback as warranted but avoid complaining, moaning or speaking negative words
8. Be polite to everyone and extend a helping hand whenever required
9. Listen to what our tour guides are explaining, their knowledge is invaluable
10. Get to know your fellow travelers
